*The 11th Edition of the ModTech International Conference,
Bucharest, Romania*

November 4th, 2022

Dear Colleagues,

We are happy to invite you to ModTech2023 International Conference - *Modern Technologies in Industrial Engineering* - which will be held in Bucharest - Romania, Continental Forum Hotel, June 14th - 17th, 2023. You can find all the information concerning the ModTech2023 International Conference on the web site www.modtech.ro.

Conference Topics:

A) Engineering of Manufacturing Processes; B) Advanced in Composite Materials and Technologies;
C) Characterization, Modeling and Simulation of Mechanical Processes; D) Robotics and Computer Integrated Manufacturing; E) Technology Transfer; F) Micro- and Nano- Technologies; G) Maritime Engineering and Navigation.

Important Dates:

Conference launch	November 1 st - 5 th , 2022
The deadline for Abstracts	January 5 th , 2023
Confirmation to authors	January 15 th , 2023
Deadline for full papers (Proceedings of ModTech2023, Journal / Journals)	March 15 th , 2023
Deadline for revised papers (Proceedings of ModTech2023, Journal / Journals)	April 15 th , 2023
Deadline for registration	May 5 th , 2023
Deadline for conference fee	May 14 th , 2023
Programme information	June 1 st , 2023
ModTech2023 International Conference	June 14 th - 17 th , 2023
Acceptance of paper proof by the corresponding author up to	July 29 th -30 th , 2023

Publications:

- WoS Proceedings / Journal will be announced soon;
- International Journal of Modern Manufacturing Technologies (IJMMT), SCOPUS Indexation, WoS Evaluation Process;
- International Journal of Manufacturing Economics and Management (IJMEM).

We are looking forward to meeting you at ModTech2023 International Conference which will be held between June 14th- 17th, 2023, Continental Forum Hotel, Bucharest, Romania.

Sincerely Yours,
Professor Dumitru Nedelcu, Ph.D

President of ModTech2023 International Conference
„Gheorghe Asachi” Technical University of Iasi
President of ModTech Professional Association
